### Program Notes

1. For more information regarding academic requirements, including the Liberal Education Program (LEP), please visit the program page at http://catalog.southernct.edu. Any questions about academic requirements should be directed to an advisor.
2. Due to their intensity and duration, the REC 301 and REC 433 internship experiences are typically completed during the summer, but students wishing to complete this experience during the regular academic year have the option to do so.
