### Program Notes

* Candidates must maintain good standing throughout the teacher education program and meet all State requirements for certification (state licensure exam, online modules, etc.) in order to be recommended for certification to the State Department of Education.

* Students must earn a C or better in all professional courses required for certification (EDU 200, EDU 316, EDU 413, EDU 471, SED 482, and RDG 517). Students must also earn a B- or higher in ENG 492 and ENG 493 to proceed to student teaching (ENG 494).

* Students are responsible for familiarizing themselves with Connecticut's teacher certification regulations and keeping abreast of changes to those regulations. If state regulations change before completion of a certification program, students will be required to meet these new regulations in order to receive the University's recommendation for certification to the State Department of Education.
