Application Deadline

Rolling admissions

All Master 's degrees in special education require 30 credits, as well as a culminating experience. Some graduate courses may require field experiences. Courses should not be taken without an adviser’s approval.

Graduate students can work towards a Master of Science degree in Special Education in a variety of concentration areas, including Learning Disabilities, Emotional Behavioral Disorders, Assistive Technology, Autism Spectrum Disorders and Other Developmental Disabilities and Interdisciplinary Special Education. Sixth-year professional diplomas in Applied Behavior Analysis and Assistive Technology are also offered.

Admission and program requirements are as follows:

• 3.0 minimum undergraduate GPA
• The program must include 30 credits at the 500 level or above
• Each student must choose an area of concentration for the master's program from the following:
  • Interdisciplinary
  • Learning Disabilities
  • Emotional Behavioral Disorders
  • Adaptive Technology
  • Autism Spectrum Disorders and other Developmental Disabilities

An interview, essay and two letters of recommendation are required for admission. However, additional materials may be required. Contact the Special Education Office for information on acceptance to the program.
