MINOR IN REAL ESTATE

18 Credits Required

The real estate minor is designed to appeal to a broad range of students within and outside the School of Business. The minor consists of four required courses and two courses chosen by the student with advisement from the coordinator of the real estate minor.

Requirements:
FIN 345 — Principles of Real Estate
FIN 457 — Real Estate Finance
ECO 307 — Urban Economics
MGT 345 — Real Estate Law

Select two courses from:
• ECO 353 — Industrial Organization
• ECO 398 — Special Topics in Economics (in an area related to real estate)
• ECO 410 — Managerial Economics
• FIN 346 — Risk Management and Insurance
• FIN 398 — Special Topics in Finance (in an area related to real estate)
• FIN 439 — Advanced Investment
• FIN 497 — Internship
• GEO 205 — Economic Geography
• GEO 270 — Maps and Map Interpretation
• GEO 273 — Land Use Planning
• GEO 362 — Urban Geography
• GEO 460 — GIS II
• URB 200 — Introduction to Urban Planning
• URB 311 — Problems and Issues in Housing
